1.1 HSG - INTRODUCTION

Overview

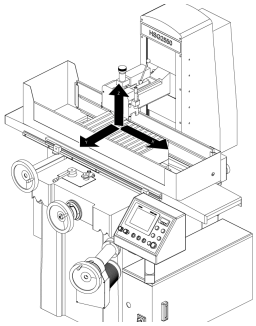

This operator’s manual supplement describes the unique features and functions of the Haas Surface Grinder machines.

Specific details about the Haas Surface Grinder itself, including information that is beyond the scope of this document, can be found at www.HaasCNC.com.

1.2 HSG - OVERVIEW

HSG-2550 Axis Definitions

This diagram Illustrates the axes available on the HSG-2550.
